STATEMENT OF PURPOSE: This resolution authorizes a contract with Ulland Brothers, Inc., located in Cloquet, Minnesota, for the purchase of fine and regular hot mix for an estimated total amount of $616,331.88, payable from the street improvement program fund.

These materials will be picked up by Duluth city personnel as needed during the contract year for the city's 2011 Pothole Reduction Program. The city council established this new program and authorized related resources with passage of Resolution 11-0154 on March 28, 2011.

The purchasing division issued this award as part of a bid process under a joint powers agreement with St. Louis County. The county's bid tabulation is attached to this resolution.

The council approved a prior award to Northland Constructors of Duluth, Inc., with passage of Resolution 11-0186 on April 25, 2011.
