Portman Park	BB-18																			
Riverside	I-5																			
Quarry Park	P-16																			
Spirit Mountain Recreation Area	L-5																			
Wheeler Athletic Complex	R-13																			
Woodland	Z-14																			

Permits/Rentals
Permits are required for all wedding and special events, regardless of size. A permit is required for private events that include 40 or more attendees. Permits are recommended to ensure availability of a space regardless of event size. Park amenities are available to everyone on a first come, first serve basis unless the space has already been permitted. Indoor recreation center buildings are available for rent. Book park and building spaces online at duluthmn.gov/parks

Watercraft
All watercraft longer than 10' must be licensed (unless registered in another state). Stop aquatic hitchhikers and comply with regulations that require boaters to inspect and wash their craft to prevent the spread of invasive species

Dogs
All dogs must be on leash (except in designated parks and trails). Clean up after your pet to keep waterways clean. Dogs are not allowed on groomed cross-country ski trails. Official dog parks are located at Observation Park, Keene Creek Park, Gary New Duluth Park and Jean Duluth Park.

Cross-Country Skiing
All public cross-country ski areas require a Minnesota Ski Pass, except UMD's Bagley Nature Area, Spirit Mountain Nordic Trails and Boulder Lake Management Area. No walking, biking or dogs allowed on groomed cross-country ski trails. Trail conditions can be found at 218-730-4323 or duluthmn.com.

Duluth-Superior Bikeway Routes
For a map of existing bikeway routes on the web go to: https://dulutthmn.gov/parks/parktrails-bikeways/

Wet Trails
Avoid trail use when trails are wet, especially after rainfall events. Trails are closed in early spring and late fall to avoid damage. For current conditions, go to duluthmn.gov/parks.

Accessible Trails
Crushed stone, paved and boardwalk trails are accessible

Trail Etiquette
- Keep right and pass on left.
- Yield to pedestrians.
- Always use safe speeds while on trails

Volunteer
Help keep our parks and trails clean by volunteering with Duluth Parks. To learn more, call 218-730-4334 or visit duluthmn.gov/parks.

Restrooms
Restroom and portable facilities are available in many of our parks, but not all. Some restrooms are available only for posted hours or seasonally. If you need information on the availability of facilities at any of our parks, please call 218-730-4300.

Tax-forfeit lands shown on the map are generally open to the public. However, please be aware that some tax-forfeit lands shown may no longer be open to public use.
