SUBJECT: Projects to improve water service to Duluth Heights/Mall area (revised schedule)

BY: Pakou Ly

Projects to improve water service to Duluth Heights/Mall area (revised schedule)

The City of Duluth's construction projects for a new elevated water tank and upgrades to the Highland Pump Station that serves the upper Piedmont, Duluth Heights, Duluth International Airport, and the Miller Hill Mall area will begin **September 14**, rather than September 8 as previously reported. Work is expected to last until November 2011.

Media with questions should contact Pakou Ly, Public Information Coordinator, at (218) 730-5309.
