[Duluth, MN] - The City of Duluth Community Development Division and the Duluth Historic Preservation Commission will be holding an informational meeting on Tuesday, July 24, 2012 in Room 303 of Duluth City Hall (411 West First St.) at 2:00 p.m. on the extension of the East End Historical Inventory of buildings.

The additional area being surveyed is north of I-35, east of 6th Avenue, south of 6th Street and west of 14th Avenue. The firm Summit Envirosolutions, Inc. was hired to conduct this inventory and will be present at the meeting. The purpose of the meeting is to inform residents of the survey, update the public on progress of the survey and findings to date, and gather historical information residents may have on their homes.

Questions regarding this inventory can be addressed to Charles Froseth in the Community Development Office at (218) 730-5325.
