SUBJECT: Water Pressure May Drop for Lincoln Park Residents

BY: Amy Norris, Public Information Coordinator

Water Pressure May Drop for Lincoln Park Residents

The City of Duluth would like to inform residents of the Lincoln Park neighborhood, on Monday, November 19th, a Utility Operations crew will be repairing a fire hydrant in front of 1801 West Skyline Parkway (Enger Golf Course). As a result of this repair, the upper portion of the Lincoln Park neighborhood may experience a drop in water pressure while the work is going on. (See purple on the attached map) The time frame for the work is 9:00 am to 6:00 pm. The upper boundary of the area affected is 15th Street. We thank the residents of Lincoln Park for their cooperation.
