**Utility work to close portion of Lakewalk Trail today near Lake Place Park**

[Duluth, MN] - The City of Duluth is working to clear a clogged storm drain that runs under I35 and the Lakewalk Trail today. Heavy equipment will be on site blocking a good portion of the Lakewalk Trail just below Lake Place Park. Trail users should take a detour up into Lake Place Park. The Trail will be reopened once the work is completed and equipment has been removed.
