[Duluth, MN] At approximately 6:25p.m. Duluth Fire crews responded to the report of garage on fire on the 2100 block of West 3rd Street. When crews arrived, they reported smoke coming from the chimney and garage doors, and a small amount of flames coming from the eaves.

Upon further investigation crews reported that the fire had extended to the attic area of the garage. The 1 Tower crew was able to knock down the fire quickly, and gain access to where the fire had extended. All responding crews worked together to extinguish hot spots throughout the structure.
