## **Duluth Dog Parks to Undergo Maintenance, Temporary Closures Planned This Week**

[Duluth, MN] - The Duluth dog parks will undergo some general maintenance this week to ensure a clean, safe and well maintained space for dog park users. In order to ensure the safety of citizens and their pets during active work times, two Duluth dog parks will be **closed** during the following specified time periods with the exception of Observation dog park. Volunteers are working in Keene Creek dog park today clearing tree limbs and overgrown brush from 1-4 PM and will be at the unnamed eastern dog park on Riley Road tomorrow from 1-4 PM. Both of these parks will be closed. On Thursday, volunteer workers will be in Observation dog park from 1-4 PM but the park will remain open for users.

Questions can be directed to Andrew Slade, Assistant Park Manager, at 218-730-4301.
