For purposes of this article, sick leave is defined to mean the absence of an Employee because of illness or injury, exposure to a contagious disease; provided no Employee, unless officially assigned to special duty, shall be granted paid sick leave for any injury or illness resulting from any gainful employment on any job which is subject to the provisions of the worker's compensation laws of any state, other than regular City employment.

21.5. Paid Sick Leave on Paid Leave. Paid sick leave will not be allowed during a previously scheduled paid leave unless the Employee is under the care of a physician because of an unexpected injury or illness and the Employee furnishes to the Chief Administrative Officer or his/her designee a certificate, signed by the physician, indicating the number of days the Employee was actually confined to his or her home or hospital. The Employee will then receive paid sick leave for those days spent confined. If the Employee is exposed to a contagious disease and confined under doctor's orders, such Employee will be granted paid sick leave in lieu of paid leave.

21.6. Temporary Disability. Any Employee who is temporarily physically disabled may be offered a work assignment, at the Employee's current rate of pay, the duties of which the Employee is able to perform.

If the employer is not able to provide the Employee such an assignment, the Employee may continue to remain on paid sick leave as provided for in this contract. If such a suitable assignment is refused by the Employee, paid sick leave will be denied. Recognizing the varieties of illnesses and injuries and the Employee's ability to do the assigned work, each case will be evaluated on an individual basis. In case of dispute, the City may use its own physician in making the determination. The City reserves the right to review the assignment after every twenty (20) working days and to reassign the Employee to his or her regular duties, modify the assignment or extend the period of special assignment.

21.7. Employee Assistance Program. Any absence approved by the Appointing Authority for participation in the Employee's Assistance Program shall be allowed with pay.

21.8. Funeral Leave. The Appointing Authority may grant to a member of this unit up to a maximum of five (5) days of paid funeral leave for a death in the immediate family.

For the purposes of this section, immediate family is defined to include only any parent, child, brother, sister, spouse, grandparent, grandchild, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or ward of the Employee, and any parent or grandparent of the Employee's spouse.

Employees must utilize accumulated paid leave or authorized unpaid leave for an absence for any funeral other than that of a member of the immediate family.

ARTICLE 22 - LONG TERM DISABILITY INCOME

22.1. Effective the first day of the month following the date of hire, an Employee shall be eligible for long-term income protection to age 70 for disability; however, there shall be no such protection for disability caused by any injury or illness for which the Employee received professional medical care or treatment within ninety (90) consecutive days prior to when the

Employee otherwise becomes eligible for such protection, unless ninety (90) consecutive days elapse from the time when the Employee otherwise would be eligible for such protection and during such ninety (90) consecutive days the Employee neither receives nor requires professional medical care or treatment for such injury or illness.

22.2. For the purposes of this Article, disability means that which is caused by illness or injury which occurs during the Employee's term of employment and which prevents the Employee from performing the major tasks of the Employee's position.

22.3. Payment of benefits pursuant to this article to a disabled Employee shall commence when the employer determines that the Employee qualifies for benefits, and does not provide benefits under Article 22.4(b). The amount of such protection shall be 65% of the Employee's basic Hourly Rate as of the time that Employee's sick leave is exhausted, or the parties agree to commencement of such payments but shall not exceed an amount equivalent to a monthly rate of pay of \$3,500; however, for any pay period, the amount of such protection shall be reduced by any amount that the Employee receives for such pay period as a retirement or disability pension from the Public Employees Retirement Association or from the federal government pursuant to the federal Old-Age, Survivors and Disability Insurance Act, and by any other disability insurance or disability annuity payment, and by any amount that the Employee receives as worker's compensation in lieu of wages or salary. Any cost of living adjustment to any amount received as a retirement or disability pension or as worker's compensation shall not be used to reduce the amount of such protection. The amount of such protection for any pay period shall also be reduced by any amount that the Employee receives as wages or salary during that pay period, but only when the total amount that the Employee has received for wages or salary during the calendar year exceeds \$5,000.

22.4. a. Payment of benefits due under this article shall be calculated for each regular pay period, and shall be paid for the period at the same time as Employees are then paid pursuant to Article 23 of this Agreement. For any pay period the City may deduct from the payment of benefits any amount which the Employee previously received as payments of benefits but to which the Employee was not entitled because of the provisions of this Article.

b. As benefits due under this article, the employer may offer to any Employee who is disabled an assignment, at such Employee's present rate of pay, to any position, or one with tasks or equipment modified to accommodate the Employee's medical restrictions, in his or her present or lower classification, the duties of which the Employee is medically able to perform. Such assignment shall not result in the denial of, promotion to, or the layoff of, a classified Employee.

22.5. Within 24 months from the date of injury or illness causing such disability, if the Employee is still receiving benefits pursuant to this article, the Employee shall:

a. Return to the position with the City which the Employee occupied when he or she became disabled; or return to a position with the City, which may have tasks or equipment modified to accommodate Employee's medical restrictions, for which the Employee is qualified, if such position is available; but only if the Employee provides written information from a physician, chosen and compensated by the City, which indicates that the Employee is then capable of performing the duties of such position; or

b. Request rehabilitation or retraining designed to return the Employee to other work which produces an economic status as close as possible to that enjoyed by the Employee before the illness or injury; the costs of such rehabilitation and/or retraining shall be borne by the City; such rehabilitation or retraining may include, but is not limited to, medical evaluation, physical rehabilitation, work evaluation, counseling, job placement, and implementation of on-the-job short-term training; or

c. Apply for permanent total disability status. Total disability, (as defined in Minnesota Statute 176.101, Subd. 5) means the total and permanent loss of the sight of both eyes, the loss of both arms at the shoulder, the loss of both legs so close to the hips that no effective artificial member can be used, complete and permanent paralysis, total and permanent loss of mental faculties, or any other injury which totally incapacitates the Employee from working at an occupation which brings him or her an income.

22.6. Receipt of long-term income protection benefits shall cease at the expiration of 24 months from the date of injury or illness causing such total disability unless the Employee has complied with Section 22.5 of this Article and has been determined to be returned to work, rehabilitated and/or retrained, or eligible for continuing total disability benefits because he or she is disabled as defined in Section 22.5. Such determination shall occur when the employer notifies the Employee, in writing, of the decision and the medical data, including the attending physician's report, that forms a basis for the determination. The determination may be grieved pursuant to Article 32.

ARTICLE 23 - WORKERS' COMPENSATION

23.1. An Employee who suffers an injury compensable under the Workers' Compensation Act and is absent from work as a result thereof, shall be paid an amount by the Employer during such absence equal to the difference between the amount received by him or her under the Workers' Compensation Act and his or her Monthly Pay, including earned longevity award, subject to the following:

23.2. For each day of work absence the Employee shall be charged for one-third (1/3) of a day of sick leave. When the Employee's sick leave and vacation time have been exhausted, he or she shall no longer receive any salary or wages from the Employer while absent from work, except as otherwise provided by Article 22.

ARTICLE 24 - JURY DUTY

24.1. Employees shall receive a leave of absence with pay for any required appearance for jury duty; provided, however, that if an Employee is released from such duty prior to the expiration of his or her normal work day, he or she shall immediately return to his or her job and continue his or her duties as an Employee.

ARTICLE 25 - LEAVES OF ABSENCE

25.1. Any Employee who, for any reason considered good by the Appointing Authority, desires to secure leave from his or her regular duties, may, on written request approved by the

Appointing Authority, be granted special leave of absence without pay for a period not exceeding one (1) year, provided; however, any leave that exceeds thirty (30) calendar days must also be approved by the Chief Administrative Officer or his/her designee.

25.2. Any Employee asking for special leave without pay shall submit his or her request in writing at least fifteen (15) calendar days prior to the date the Employee desires to leave, stating the reasons why in his or her opinion the request should be granted, the date when he or she desires the leave to begin and the probable date of his or her return.

25.3. The Appointing Authority or Chief Administrative Officer or his/her designee shall respond within five (5) calendar days of the request for each special leave of absence without pay in writing, stating if the leave is to be approved, whether the Employee granted such leave shall be entitled to his or her former position upon the Employee's return from such leave or whether his or her name shall be placed on the re-employment list for the class for which the Employee is classified.

25.4. No leaves without pay over thirty (30) calendar days will be granted until the Employee has used all accumulated paid leave.

25.5. No benefits or seniority shall be lost by the Employee during leaves of thirty (30) calendar days or less. No benefits or seniority shall be accrued after the first thirty (30) calendar days of any leave. Any Employee wishing to be covered under the City's insurance plans may for the first six (6) calendar months of such leave pay the Employee's and the employer's share of the cost of coverage.

25.6. Leave of absence without pay for a period of less than thirty (30) calendar days may be granted by a department head. Leaves of absence for over three (3) consecutive days should not be approved by any department head except for the following reasons:

- a. When it is shown that the City will benefit from such leave.
- b. Personal or family emergency.
- c. As provided for in Section 8 of this Article.
- d. Service upon a Board or a Commission where such leave is required for attendance at such meeting, and/or will benefit the City.

25.7. Military leaves of absence shall be granted as provided for in state and federal law.

25.8. City Employees who are officers or appointed representatives of the Employees' organization or appointed to its staff for the purpose of performing services for such organization shall be afforded reasonable time off for the purposes of conducting the duties of the Employee organization; and shall, upon request, be provided with leaves of absence to the elected or appointed capacity of the exclusive representative as required by law.

25.9. An Employee accepting an appointed position with the City, shall be on a leave of absence during the period of such appointment and upon the expiration of such appointment shall be reinstated to the class or prior appointed position held prior to such appointment.

ARTICLE 26 - DISCIPLINE, SUSPENSIONS, REMOVALS

26.1. Discipline.

Disciplinary action may be imposed upon an Employee only for just cause. Disciplinary action may be grieved by the Employee through the regular Grievance procedure as provided in Article 32. Disciplinary action shall include only the following: 1) oral reprimand; 2) written reprimand or written record of an oral reprimand; 3) suspension; and 4) removal. Initial minor infractions which the supervisor determines warrant an oral reprimand will not normally result in a permanent written record of the reprimand being kept. Except in the case of a severe breach of discipline, any suspension, disciplinary demotion, or removal action shall be preceded by a written warning. An Employee shall be given the opportunity to have a Union representative present at any questioning of the Employee during a meeting with a supervisor for the purpose of determining what disciplinary action against the Employee will be taken. If the Appointing Authority has reason to reprimand an Employee, it shall be done in a manner that will not embarrass the Employee before other Employees or the public.

26.2. Suspensions.

a. The Appointing Authority or any supervisor acting for him or her in his or her absence, may for disciplinary purposes suspend without pay any Employee under his or her supervision from the performance of his or her duties for one (1) or more periods aggregating not more than thirty (30) working days in a calendar year for each disciplinary incident.

b. Employee to be Notified of Suspension. If the employer suspends any Employee, it shall forthwith give written notice to the suspended Employee stating the reason for the suspension and the duration thereof, and shall forthwith personally deliver such written notice to the Employee or send it by certified mail to the Employee's last known address; it shall also forthwith send to the Union a copy of the notice sent to the Employee. The notice shall also advise the Employee that he or she may grieve pursuant to Article 32 if the Employee believes the action is done without just cause or is otherwise in violation of this contract.

26.3. Removals.

a. An Appointing Authority may remove an Employee only for just cause.

b. Any charges filed against any Employee shall state specifically the just cause or causes the Appointing Authority feels are sufficient to constitute grounds for removal, and in addition, the specific act or acts of such Employee constituting such cause; provided, that in no case shall such vague and indefinite charges as "for the good of the City" be considered for removal and that in no case may an Employee be removed on account of his or her religious or political opinions or affiliations or for refusing to contribute to a political fund or to render political service.

c. Any Employee proposed to be removed for just cause, shall be notified in writing of the charges against him or her, the date of separation, and the rights of the Employee to file a formal Grievance under the Union contract. The Appointing Authority shall personally deliver such written notice to the Employee or send it by certified mail to the Employee's last known address and shall send to the Union a copy of such notice sent or delivered to the Employee.

d. If the Employee being removed files a Grievance, the Employee shall be placed on suspension without pay until the Grievance is resolved except in those cases where suspension without pay is prevented by law.

ARTICLE 27 - DEMOTIONS

27.1. Upon the request of an Employee or by the Appointing Authority, an Employee may be reclassified from a higher paid to a lower paid position, which in the discretion of the Appointing Authority, the Employee is eligible to fill.

27.2. The Appointing Authority proposing the demotion of an Employee shall make his or her recommendation in writing to the Chief Administrative Officer or his/her designee, and shall supply a copy to the Employee. The recommendation shall give the future date on which the proposed demotion is to become effective, the class to which it is proposed to demote the Employee, the new rate of pay, and any other information that the Chief Administrative Officer or his/her designee may require. The recommendation shall advise the Employee that he or she may grieve pursuant to Article 32 of this agreement if he or she does not agree with the Appointing Authority's recommendations.

ARTICLE 28 - RESIGNATIONS

28.1. Any Employee who wishes to resign in good standing shall give the Appointing Authority written notice of at least two (2) weeks, unless the Appointing Authority consents to his or her leaving on shorter notice.

28.2. An Employee who is absent from duty for three (3) consecutive business days without securing leave from his or her Appointing Authority shall be considered to have resigned.

ARTICLE 29 - LAYOFF

29.1. When it becomes necessary, because of lack of work or funds, or to obtain efficiencies, or for other causes for which an Employee is not at fault, to reduce the number of Employees within a department, the following procedure shall apply, to the extent it is not superseded by the veterans' preference law:

a. All temporary, provisional and substitute Employees, who are employed in the title from which the layoff is made, shall be laid off first within that department.

b. Permanent Employees who are substituting in a vacant position shall, during any layoff affecting their permanent position or the position in which they are substituting, return to their permanent position.

c. Permanent Employees who are appointed provisionally shall, during any layoff affecting their permanent position or the position to which they were provisionally appointed, return to their permanent position.

d. Permanent Employees who are on a leave of absence shall, during any layoff affecting their position, return to their permanent position.

e. Layoffs from job titles that have multiple incumbents shall be made by inverse seniority in the job title from which the layoff is made.

29.2. The Appointing Authority shall notify in writing the Employee or Employees to be laid off at least ten (10) working days prior to actual layoff and shall transmit to the Union the names of those so notified.

ARTICLE 30 - RE-EMPLOYMENT RIGHTS

30.1. The name of any classified Employee who has been laid off shall be placed on the re-employment list.

30.2. The names shall be arranged on the re-employment list in the order of their total seniority with the City; provided, that if any Employee has not been re-employed, the Chief Administrative Officer or his/her designee shall, on or about the anniversary date of the layoff, contact each person laid off by certified mail to determine if such person is interested in remaining on such list. If the person is no longer interested, or without giving a satisfactory reason, refuses to accept an appointment offered him or her, the Chief Administrative Officer or his/her designee may remove his or her name from any re-employment list. An Employee refusing to accept an appointment for the classification from which he or she was originally laid off shall have his or her name removed from such list.

30.3. Any name of any Employee which is placed on a re-employment list because of layoff shall be removed from such list by the Chief Administrative Officer or his/her designee twenty-four (24) months from the date of the Employee's layoff.

ARTICLE 31 - PERSONNEL COMMITTEE

31.1. An Employee may request that the Employer complete a job audit if his/her position duties have changed significantly. A standing Personnel Committee consisting of the President of the Union or his/her designee and an Employer representative shall meet as necessary to review job audit requests and to determine whether a job audit should be conducted for the purpose of determining whether the specifications for a job classification should be amended, whether the position should be reclassified to a different job classification, or whether there is a need to establish a new job classification to describe the existing position. Job audits will be performed in the order determined by the Personnel Committee. The Personnel

Committee shall meet and negotiate the pay rate for any position with a new, or amended job description, or any newly created classification which is represented by the Union.

31.2. Upon request, the Union will meet and confer with the Employer about management plans or projects.

ARTICLE 32 - GRIEVANCE PROCEDURE

32.1. An Employee or group of Employees with a Grievance shall within twenty-one (21) calendar days after the first occurrence of the event giving rise to the Grievance present such Grievance through the Union in writing to the Chief Administrative Officer or his/her designee.

32.2. The Chief Administrative Officer or his/her designee shall present the Employer's position in writing to the Union within twelve (12) calendar days after receipt of such Grievance. The resolution of Grievances settled by the procedures set forth in this paragraph shall be reduced to writing and signed by the Employee or Employees, Union and the Employer.

32.3. If the Grievance is not settled in accordance with the foregoing procedure, Union may, within nine (9) calendar days after receipt of the reply of the Chief Administrative Officer or his/her designee, submit the Grievance to arbitration by serving notice in writing of such submittal upon the Chief Administrative Officer or his/her designee. The parties shall attempt to agree upon an arbitrator within seven (7) calendar days after submittal of the Grievance to arbitration and in the event the parties are unable to agree upon an arbitrator within said seven (7) day period, either party may request the Bureau of Mediation Services of the State of Minnesota to submit a panel of five (5) arbitrators. The parties shall each have the right to alternately strike two (2) names from the panel. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. The remaining person shall be the arbitrator. The arbitrator shall be notified of his or her selection by a joint letter from the parties requesting that he set a time and a place for a hearing on the Grievance, subject to the availability of the parties.

32.4. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He or she shall consider and decide only the specific issue(s) submitted to him or her in writing by the parties, and shall have no authority to make a decision on any other issue not so submitted to him or her. More than one Grievance may be heard by the same arbitrator by mutual agreement of the parties. Either party may, if it desires, submit a brief to the arbitrator setting forth its position with respect to the issue(s) involved in a Grievance. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall submit his or her decision in writing to the parties and shall file a copy of such decision with the Bureau of Mediation Services of the State of Minnesota. The decision shall be based solely upon his or her interpretation of the meaning or application of the express terms of this Agreement to the facts of the Grievance presented.

32.5. The decision of the arbitrator shall be final and binding upon the parties, except that an appeal may be taken to the District Court on the grounds that the order of the arbitrator violates the guidelines imposed upon him or her by the provisions of this article.

32.6. The fee and expenses of the arbitrator shall be divided equally between the parties; provided, however, that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of such proceedings, the cost shall be shared equally.

32.7. If a Grievance is not presented within the time limits set forth above, it shall be considered waived. If a Grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a Grievance or an appeal thereof within the specified time limits, Union may elect to treat the Grievance as denied at that step and immediately appeal the Grievance to the next step. The time limit in each step may be extended by mutual written agreement of the parties involved in each step.

32.8. All documents, communications, and records dealing with a Grievance shall be filed separately from the personnel files of the Employees involved.

32.9. Access to all information necessary to the determination and processing of a Grievance shall be made available to all participants.

32.10. If, as a result of the reply of the Chief Administrative Officer or his/her designee's response in Section 32.2, the grievance remains unresolved and if the grievance involves the suspension, demotion, or discharge of an Employee who has completed the required probationary period, the grievance may be appealed either to Section 32.3 of this Article or to another procedure such as Veterans Preference or fair employment. If appealed to any procedure other than Section 32.3 of this Article, the grievance shall not be subject to the arbitration procedure provided in Section 32.3 of this Article. The aggrieved Employee shall indicate in writing which procedure is to be used – Section 32.2 of this Article or an alternative procedure – and shall sign a statement to the effect that the choice of an alternate procedure precludes the Employee from making an appeal through Section 32.3 of this Article.

The election set forth above shall not apply to claims subject to the jurisdiction of the United States Equal Employment Opportunity Commission. An Employee pursuing a remedy pursuant to a statute under jurisdiction of the United States Equal Employment Opportunity Commission is not precluded from also pursuing an appeal under the grievance procedure of this Agreement. If a court of competent jurisdiction rules contrary to the ruling in EEOC v. Board of Governors of State Colleges and Universities, 957 F. 2d 424 (7th Cir.) cert. denied, 506 U.S. 906, 113 S. Ct. 299 (1992), or if Board of Governors is judicially or legislatively overruled, this paragraph of this Section 32.7 shall be null and void.

ARTICLE 33 - COMPLETE AGREEMENT AND
WAIVER OF BARGAINING – MEET AND CONFER

33.1. The parties acknowledge that the provisions contained in this Agreement constitute the entire agreement between the parties and the provisions of this Agreement are not subject to renegotiation, except with the mutual consent of the parties. Any and all prior agreements, resolutions, policies, rules and regulations regarding terms and conditions of

employment to the extent inconsistent with the provisions of this Agreement are hereby superseded.

33.2. The parties agree to meet and confer in the labor-management committee to discuss appropriate changes in hospital-medical benefit plan, dental insurance plan, and any benefit plan features affected by state or federal legislation or regulation changes, and to achieve reasonable and conservative cost containment suggestions.

33.3. The parties agree to meet and confer regarding any changes to Article 19 (Hospital-Medical Insurance – Retired Employee) in the collective bargaining agreement between the City of Duluth and Duluth Police Union 807 that occur during the term of this Agreement.

ARTICLE 34 - UNIVERSAL LANGUAGE

The parties agree that in matters of medical and dental plan benefits, plan premiums, and sharing of plan costs between employer and Employee, it is beneficial to both parties to achieve language that is universal in all City bargaining unit agreements. If during the term of this agreement, the Employer enters into an agreement with another City bargaining unit that affects such language, the parties agree to meet and negotiate contract changes to achieve universal language, if possible.

ARTICLE 35 - DURATION OF AGREEMENT

35.1. This Agreement shall be effective as of the 1st day of January, 2015, and shall remain in full force and effect through the 31st day of December, 2017, and from year to year thereafter as provided by PELRA.

ARTICLE 36 - LABOR MANAGEMENT COMMITTEE

36.1. (a). The Employer and the Union will form a bona fide joint labor-management committee with the assistance of the Bureau of Mediation Services for the purpose of meeting and discussing matters of mutual concern. The labor-management committee shall be chaired jointly by a representative of the Employer and a representative of the Union, and shall consist of an equal number of appointed management and union representatives. The labor-management committee has the authority to establish labor management subcommittees, monitor their progress, forward subcommittee recommendations to the Administration, and dissolve subcommittees. The labor-management committee shall operate on a recommendation basis only, and the committee chairs shall mutually determine all questions of process, procedure and agenda content. The labor-management subcommittees will be responsible for collaboratively addressing common interests that may include, but are not limited to the following:

- Budget related issues
- Working environment
- Health and safety issues
- Work process and customer service improvement
- Employee recruitment and retention

Health Insurance

(b). The City's representative on the Joint Powers Enterprise Board of Trustees as defined in the Joint Powers Agreement will report, no less than quarterly, to the labor management committee regarding activity in the Duluth Joint Powers Enterprise Trust. The report will include information such as claims activity, actuarial reports, and financial statements, which will be comparable to that which was provided to the Health Insurance Labor Management Committee under the 2010 collective bargaining agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement this day of _____, 2015.
