Grandma's Marathon Minnesota Mile Road Closures/Delays

On Sunday, September 13, 2009, beginning at 8:30 a.m. traffic will be diverted from portions of Superior Street in Downtown Duluth for the Minnesota Mile.

Motorists should obey temporary No Parking areas on both sides of Superior Street from 7th Avenue East to 4th Avenue West. Violators can be tagged and towed.

Traffic delays will occur for approximately three hours as motorists are diverted off of Superior Street between 8th Avenue East and 4th Avenue West. Motorists should be alert for officers directing traffic in that area. Canal Park and the DECC may be accessed by 5th Avenue West. Traffic coming from the Northbound and Southbound I-35 off ramps to Lake Avenue will be temporarily diverted toward Canal Park. Traffic wanting to access Downtown from the Canal Park area will also be required to use 5th Avenue West.

5th Avenue West will be the only access to the DECC and Canal Park from Downtown during the race, and the only way to access Downtown from the Canal area will also be from 5th Avenue West.

Downtown traffic should return to normal by approximately 11:30 a.m
