

NATURAL RESOURCES COMMISSION

January 2021 Meeting cancelled

NRC commissioners:

Thank you for a very productive year advising the City of Duluth on the protection and management of our public open spaces. We appreciate the generosity of your time and commitment to this important work.

After discussions with the board and staff, we do not have any agenda items in need of action for the January 2021 meeting. Therefore, we are going to cancel the meeting. We have a busy 2021 in store with the development of the Natural Resource Management Program Plan, acquisition of tax forfeit lands, and restoration projects and we look forward to working with you on these issues and sharing them with the public for input and feedback.

Enjoy the solstice and celebration of the New Year with renewed hope and joy. We will see you in February.

Sincerely yours;

Diane Desotelle
