BY: Terri Fitzgibbons

For additional information, contact Mayor Don Ness at (218) 730-5230 or David Montgomery at (218) 730-5370.

Steam Plant Tour

As a follow up to today's press conference regarding Johnson Controls, an opportunity to tour the Duluth Steam Plant is available for media and others who wish to learn more about Steam Plant efficiencies and issues with work that has been done by JCI to-date.

The tour will be held tomorrow, September 8, 2010, at 10 a.m. The Steam Plant is located at 202 Lake Avenue South.
