### **City Works to Clear Streets After Winter Storm**

[Duluth, MN] - City of Duluth reports crews have the main roads in Duluth in good driving condition this morning. Crews are presently working on clearing the residential roads then later today will begin to clear alleys.

We remind citizens to:

Remember it is illegal to remove snow from your property and place it in city streets and alleys. Please help out your neighbors that are having difficulty removing snow.

People who park on the street should be extra diligent to follow these ordinances; no closer than 7 feet to alleys or driveways, must park with 12 inches of the curb and parking or partially blocking driving lanes will result in a ticket and the car will be towed.
