10th Ave East at 1st Street reduced to one lane starting June 20

[Duluth, MN] - Starting Wednesday, June 20th, 2012 the north bound lane of 10th Avenue East will be closed between 1st Street and 2nd Street. Motorists are advised to use alternate routes.

The lane closure will last until approximately July 27th. The lane closure is necessary because of the construction around St. Lukes Hospital.

Motorists are advised to use caution in the construction zone.
