New Lakewalk Park Dedicated Today

City asks public to help name new park

[Duluth, MN] - Today Mayor Don Ness and other community officials conducted a ribbon cutting ceremony officially opening the new park above the corner of the Lakewalk holding tank.

The park contains artistic representations of the four Duluth Sister Cities and structure designs, Minnesota native foliage, a new public restroom, benches and one of the most spectacular views of Lake Superior. As of now, this beautiful park is without an official name and Mayor Ness is asking for community input. Suggested names for the park can be submitted to the Parks and Recreation's Facebook page at **DuluthParksMN** or by going to the City of Duluth's web site at www.duluthmn.gov. A Community Advisory Committee will review all suggested names and submit the top three to City Council for approval. Deadline for submitting a name for the park is October 8th.
