SUBJECT: Update on Street Preservation Project in West Duluth

BY: Pakou Ly, Public Information Coordinator

Update on Street Preservation Project in West Duluth

[Duluth, MN] - The City of Duluth is informing the public about the temporary closure of 40th Ave West (between I 35 and Grand Ave) in West Duluth as crews start on the next phase of the Street Preservation Project. Milling work commenced earlier this week allowing for work crews to now start paving 40th Ave West.

Crews will be on site on Saturday, August 16, 2014 and will need to temporarily close the road for most of the day in order to lay down the bituminous surface material. Motorists should use alternate routes. The City thanks the public for their patience and cooperation during this project.
