SUBJECT: Superior Street at 34th Ave East to temporarily close for repairs starting August 7

BY: Pakou Ly, Communications Office

Superior Street at 34th Ave East to temporarily close for repairs starting August 7

[Duluth, MN] - The City of Duluth Public Works and Utilities staff will be conducting pavement restoration at 34th Ave East and Superior Street starting August 7 through the 10th to improve road conditions. This work will close a portion of 34th Ave East above Superior Street and will impact access on the westbound lane of Superior Street. Westbound traffic will need to follow the detour route down 36th Ave E to London Road. The east bound lane will remain open.

The City encourages motorists to follow the detour route or use alternate routes during this project. Please visit the Duluth Transit Authority website for directions on changes to bus routes at www.duluthtransit.com
