Mock Crash

There will be a mock crash held at Central High School on April 29, 2010. The purpose of the mock crash is to prevent drunk driving and promote seat belt use.

To make the crash seem real Arrowhead EMS will moulage the kids. The Duluth Fire Department, Police Department, Gold Cross and Life Link III will all be participating. Other agencies that are assisting are Duke's Towing, ESC, and City of Duluth Maintenance, and Duluth Central High School.

We ask that you do not come before 9:45 as the majority of the student body does not know this is to take place. The actual crash will begin at 10:00 a.m. followed by an assembly.

For more information call Marnie Grondahl 730-4399.
