**BY: Amy Norris, Public Information Coordinator**

## **16th Annual Clean and Green Community-Wide Clean-Up April 15-23rd.**

This year's annual City of Duluth Clean & Green community-wide clean-up effort will be held throughout Earth Day Week beginning April 15th and ending on April 23<sup>rd</sup>.

We invite community members and organizations to join us during this week of community pride. Our goal is to have hundreds of citizens working together in our parks, neighborhoods, business districts and along the waterfront, so that by the end of the week our city will be spruced up for another summer season.

We would appreciate having you let us know if your group will join in on these efforts. Please call Amy Norris, Parks and Recreation Division at 730-4312 or email [anorris@duluthmn.gov](mailto:anorris@duluthmn.gov) if you are interested in participating. Garbage bags are available to registered groups and can be picked up at the Parks and Recreation office Monday-Thursday 8:00-4:00 PM. The Parks office is located at 12 East 4th Street (corner of Lake Avenue and 4th Street).

Together we can make a difference in our community.
