Public Invited to Upcoming Meeting on the Cross City Trail

[Duluth, MN] - The City of Duluth invites the public to the second in a series of meetings to discuss the vision for the Cross City Trail from the end of Phase I (West Superior and Carlton Street) westward to 63rd Avenue West and the former DWP rail line.

The meeting is scheduled for Tuesday, June 17, 2014 at 5:30 p.m. at Denfeld High School located at 401 North 44th Ave West, in the Commons Area. The previous meeting captured input from participants about trail route selection and on street/off street design options. This meeting will be an open house format allowing the public to review route options identified through recent public comments. A question and answer session with consultants, local experts and City staff will also take place.

Information on the project is accessible on the City's webpage at,
