Public Meeting to Obtain Ideas for the Design of a New WWI Memorial at Memorial Park

[Duluth, MN] - The public is invited to attend a meeting regarding the design of a new WWI Memorial at Memorial Park. This is the first of two planned public meetings. The purpose of this meeting is to gather public opinion on the design of a new memorial that will honor those who lost their lives in the Great War.

The public meeting will take place on:

Monday, April 16th

6:30-8:00 p.m.

Evergreen Center

5830 Grand Ave

Duluth, MN 55807

The result of this public process will be to develop a design for a new WWI memorial to replace the aged memorial currently at Memorial Park. It is anticipated that the new memorial will be constructed in 2018 and completed prior to Veterans Day.
