Getting Started

Available on Apple and Google Play
Delta Dental's mobile app is available for mobile devices using iOS (Apple) or Android. To download and install the app on your device, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental. Or, if you have a QR code reader installed on your phone, scan the code at the left to download. You will need an internet connection to download and use our free app.

Using the app without logging in
Delta Dental's mobile app is available to all users. Without logging in, you can access our Find a Dentist tool.

Logging in to view benefits
Launch the app on your device, then click the Login button. Enter your username and password, and click Login. If you've forgotten your username or password, there are links to retrieve them.

Please note: Enrollment in the app is independent of our website member portals. When registering in the app, you will be required to create an independent login and password.
