STATEMENT OF PURPOSE: This resolution will authorize the rehabilitation of 15 private sanitary sewer services totaling approximately 1,350 feet by cured-in-place pipelining by Kalkbrenner Plumbing and Heating, Inc., in the amount of \$146,550, to be paid from the Sanitary Sewer Fund 0530. Kalkbrenner Plumbing and Heating, Inc., was the only company that responded. Although Kalkbrenner's bid was four percent higher than the engineer's estimate of \$140,500, we recommend awarding to them because if rebid, lower prices are not expected and this will complete the requirement from the EPA to line 100 sewer services this year. City Project No. 0730sn, Requisition No. 08-0548, Sanitary Sewer Fund 0530, Department/Agency 500, Organization 1970, Object 5535.

Tabulation of bid received September 10, 2008: Kalkbrenner Plumbing and Heating, Inc. - \$146,550
