STATEMENT OF PURPOSE: This resolution will authorize a professional services contract with LHB, Inc., for engineering services for replacement of the failing Chester Creek culvert under MacFarlane Road. Work includes field survey/mapping, hydraulic analysis, permitting and design and plan preparation for a replacement culvert. Initial coordination with the DNR indicates a concrete box structure will be needed to replace the deteriorated 88 inch metal culvert; payable from City Storm Water Utility Fund 0535, Department 500, Organization 1905, Object 5536, City Project No. 0711ST.
