COUNCIL REQUEST/ATTY REA:blj 11/20/2008

STATEMENT OF PURPOSE: Resolution No. 08-0457 declared four city-owned lots on Park Point as surplus to the city's needs and declared the city's intent to sell them.

Three of those lots have been the subject of offers and Ordinance 08-092 authorizes their sale. The fourth lot, known as Lot B, was not bid upon.

This resolution deletes Lot B from Resolution 08-0457, effectively withdrawing it from sale without a new council resolution declaring renewing its "surplus" designation and authorizing its sale.
