STATEMENT OF PURPOSE: This resolution authorizes a contract with the Chester Bowl Improvement Club to serve as the concessionaire at the Chester Bowl Chalet. The club will continue to operate the chalet concession as it has in the past and will also take on full operational control of the alpine ski facility and related youth programs. It may also operate at its discretion summer music and youth programming events. The club may also continue to produce community festivals as it has in the past. The city will pay \$20,000 for the services. The contract replaces previous contracts with the club through which the club provided financial and operational support for the alpine ski program in the park and produced community festivals.
