STATEMENT OF PURPOSE: This resolution amends the amount of funds accepted by the city from the state of Minnesota of through the Minnesota department of safety, department of homeland security and emergency management, to be used to reimburse the city for providing services as a hazardous materials chemical assessment team from \$45,000 to \$90,000.

The actual grant as received was \$45,000 for the first year (FY 2007-2008), but also included an additional \$45,000 for the second fiscal year (FY 2008-2009) for a total of \$90,000. This amendment would allow the city to accept the second year's funding.
