STATEMENT OF PURPOSE: This resolution authorizes the city's purchase of computer-aided dispatch (CAD) system access during year 2009 for \$26,160 to be paid from the general fund.

The access is to the 911 service through the use of 65 MDCs (mobile data computers). The bureau of criminal comprehension (BCA) invoices St. Louis County for the mobile data computer access. In turn, St. Louis County bills the city of Duluth for 65 MDCs, 4 CAD ports and 4 BCA ports, all connected to the BCA via St. Louis County department of communications. St. Louis County department of communications is the sole provider of this service.
