

COMMITTEE OF THE WHOLE

09-0132R

RESOLUTION SETTING INFRASTRUCTURE PROJECT PRIORITIES FOR  
FEDERAL STIMULUS FUNDING.

CITY PROPOSAL:

The city council finds as follows:

(a) The city administration and council wish to establish a set of priorities for possible funding through the federal stimulus package; and

(b) The city administration and city staff have researched and compiled a list of shovel-ready infrastructure improvement projects, a copy of which is on file in the city clerk's office as Public Document No. \_\_\_\_\_, which reflect the standards and criteria needed for possible funding; and

(c) The city administration and council desire to seek funding for projects that will aid the local economy by providing much needed infrastructure investment and job creation.

NOW, THEREFORE, BE IT RESOLVED, that the city council hereby endorses the list of infrastructure improvement projects attached hereto as priorities for possible funding through the federal stimulus package.

Approved for presentation to council:

STATEMENT OF PURPOSE: This resolution endorses and establishes infrastructure project priorities for possible funding through the federal stimulus package. The list of projects has been compiled based upon the requirements for funding eligibility laid out in the preliminary bill. The funding requirements of the final stimulus package are currently under review by city staff. As such, the infrastructure projects endorsed and established herein are subject to modification and further review once the final requirements are detailed. Projects may be added and/or removed due to changed requirements for funding eligibility.
