STATEMENT OF PURPOSE: This resolution authorizes the tax-exempt purchase of fire department turnout gear from Municipal Emergency Services Inc., for \$33,206.04, payable from the general fund. The contract year runs from June 1, 2009, through May 31, 2010, the first of two one-year renewal options. Prices remain unchanged from the original bid price list.

The city posted the original request for bids on the website March 31, 2008, and received four bids by the closing date. An internal committee of qualified fire department employees evaluated all bids and determined that Municipal Emergency Services, Inc., was the only acceptable choice based on fit, functionality, and construction quality of its gear. Specific gear must meet Occupational Safety and Health Administration requirements for compliance. Municipal Emergency Services, Inc., is located in Fremont, Nebraska. Requisition No. 09-0189
