STATEMENT OF PURPOSE: This resolution authorizes a contract with Yamaha Golf and Utility, Inc., for the four-year lease of 110 golf carts and 10 utility carts, for \$284,500.80 from the golf fund. This will be paid in annual installments of \$71,125.20, subject to the availability of funds.

The lease period runs May through October of each year. The golf carts are leased exclusively for rentals to golfers at both Enger and Lester Park golf courses. The utility carts are used by golf course personnel as people movers. Sales tax is collected with each rental. The lease requires the awarded vendor to maintain the carts, thereby saving the city maintenance time and cost.

The city purchasing division posted a request for bids on the city's website February 18, 2009. Yamaha Golf and Utility, Inc., submitted the lowest of three bids by the closing date.
