STATEMENT OF PURPOSE: The painting of lane lines will go out on bid by the county. Bidding on city and county streets and roadways together should result in lower painting costs for both agencies. This resolution will authorize the city of Duluth to enter into an agreement with St. Louis County, who in turn will contract with a third party contractor to paint lane lines on city and county streets and roadways. The city will be invoiced by the county only for the work done on city streets and roadways.
