STATEMENT OF PURPOSE: This resolution will authorize the city to enter into an agreement with St. Louis County and the city of Hermantown to install new signal systems, street lights, signing and traffic control at the intersections of Maple Grove Road and Mall Drive, and Maple Grove Road and Burning Tree Road. The city of Duluth's portion of these construction costs are included in the previous council-approved agreement with Mn/DOT for the mall area "big dig" project. This agreement mainly deals with the city's portion of maintenance responsibilities.
