STATEMENT OF PURPOSE: Both Grand Forks Avenue and Winnipeg Avenue are 18 feet wide. The adjacent sidewalks have no boulevard behind the curb. Vehicles are partially parking on the sidewalks because of the narrow roads and have destroyed the sidewalks. By designating no parking on these segments of roadway, the city will be able to make sidewalk repairs and vehicles will not be able to destroy the new sidewalks. This request has been made by residents of the area. A letter has been sent out to all abutting property owners and none have opposed the change. This plan has been reviewed and endorsed by the city of Duluth parking commission.
