Attorney

Auditor

PLNG/ATTY REA:blj 5/11/2009

STATEMENT OF PURPOSE: This resolution corrects the name of the entity owning the property referred to in Resolution 08-0702 as the Fur Storage Building property from Minnesota Power to the Rendfield Land Company which is the name in which the property is actually held. The property in question is immediately to the east of the property previously referred to as the MacDonald Building and now called Lake Superior Place which is across from Minnesota Power. The agreement in question is the skywalk agreement.
