09-0350R

RESOLUTION APPROVING PROPOSED AMENDMENTS TO THE SPECIFICATIONS FOR THE CIVIL SERVICE CLASSIFICATION OF GAS CONTROL OPERATOR I.

CITY PROPOSAL:

RESOLVED, that the proposed amendments to the specifications for the civil service classification of gas control operator I, which were approved by the civil service board on April 21, 2009, and which are filed with the city clerk as Public Document No. _____, are approved. This classification shall remain subject to the city's collective bargaining agreement with its basic unit employees and compensated at Pay Range 26.

Approved:

Approved for presentation to council:

Department Director

Chief Administrative Officer

Approved as to form:

Approved:

Attorney

Auditor

HR CT:alo 5/18/2009

STATEMENT OF PURPOSE: The classification for gas control operator I has been updated to reflect the changed responsibilities due to the elimination of the peak shaving plant and propane handling and filling equipment as well as eliminating the responsibilities for boilers and associated heating systems. Additionally, the changed recording and reporting functions were better defined to reflect changing technology. There is no change in the rate of pay, which is Range 26, \$3,166 to \$3,718 per month.
