STATEMENT OF PURPOSE: This resolution authorizes applying for and accepting a grant in the amount of \$20,000 from the state department of public safety, division of homeland security and emergency management to be used to assist and support the city in maintaining adequate local emergency management programs.

The funds are usually not available to first class cities but in 2009 a one-time exception was made; hopefully additional funds will become available in the future. There is a 50 percent matching requirement related to this grant which will be met by the existing salary of the emergency manager.
