STATEMENT OF PURPOSE: In 2004 and prior to the now completed reconstruction of Trinity Road by Mn/DOT, it was discovered that the road right-of-way which Mn/DOT claimed to control across city property was incorrect and their original payment to the city was insufficient.

The Minnesota attorney general's office has now provided the city with the necessary documents to correct this matter and thereby clear the way for the city to receive an additional \$35,500 plus statutory interest over and above the \$35,000 previously paid in full settlement of this matter.
