STATEMENT OF PURPOSE: This resolution authorizes city officials to purchase equipment and installation services in the amount of \$76,798.16 from the capital equipment funds 250-015-2005-5580 and 250-015-2009-5580.

This purchase will serve to upgrade critical telecommunication infrastructure equipment that has reached end of life and needs replacement in order to maintain support and maintenance on the City's telecommunications system.

These replacements are in line with the MIS five year replacement plan to ensure the integrated network and telecommunications systems remain stable and functional.

Enventis is located in Plymouth, MN with an office in Duluth, MN.
