STATEMENT OF PURPOSE: This resolution will authorize the purchase of work order software and implementation services from New World Systems Corporation in the amount of \$40,398.75, payable from the capital equipment funds.

This purchase will serve as a centralized work order system and request for action portal application. This system is critical in the tracking of work orders and associated costs throughout City operations, as well as offering an electronic mechanism for workflow tracking of requests for action.

This system fully integrates with our financial and HR/payroll systems, which will allow for a centralized and more efficient way of tracking labor costs associated with work orders.

New World Systems Corporation is located in Troy, Michigan.
