STATEMENT OF PURPOSE: This resolution will authorize removal of existing concrete topping and waterproofing, installation of new waterproofing, insulation, paver system and planters, and masonry restoration for the Tiger Deck at the Lake Superior Zoo. Funding for this project is from the general fund, along with a state grant in the amount of \$33,000. This project will place the main building observation deck (Tiger Deck) back in operation. This deck and viewing platform has been out of service for three years due to degraded and hazardous structural conditions. The benefit to the Zoo is this project helps achieve accreditation, and the public benefits due to its ability to now use the full facility. Project No. 09-14, Requisition No. 2009-447.
