STATEMENT OF PURPOSE: This resolution will authorize the construction of 2009 watermain replacements in Congdon Boulevard, 90th Avenue East and West Marble Street for \$405,514.88, to be paid from Water Fund 510, public works and utilities infrastructure replacement. Replacement of these watermains with a history of leaks and maintenance costs will reduce significant leakage. Belair Builders, Inc., dba Belair Excavating, was the lowest bidder of the five companies that submitted bids. The engineer's estimate was \$465,000 and the utility infrastructure replacement budget was \$500,000 for watermain replacement in 2009.
