STATEMENT OF PURPOSE: This resolution will authorize an amendment to Resolution 09-0369, passed on May 26, 2009, for the 2009 street improvement program - Lakeside Lower Central, increasing the contract amount by \$445,201 for a new total of \$2,123,853.40. This increase is due to the necessity of replacing watermains in Cooke Street from 43rd Avenue East to 47th Avenue East and in Gladstone Street from 43rd Avenue East to 47th Avenue East. The work is being done because of the very poor pipe conditions discovered when the roadway was removed and the water service lines were excavated. This increase will be payable out of Water Utility Fund 0510, Department/Agency 500, Division 1905, Object 5536, City Project No. 0218TR.
