STATEMENT OF PURPOSE: This resolution authorizes the city to act as a partner to St. Louis County as the primary grantee of a 2010 pilot county enforcement grant for promoting traffic safety programs from October 1, 2009, through September 30, 2010.

This is an initiative to encourage compliance with traffic safety laws through a combination of education and enforcement and focuses on such issues as seat belt enforcement, DWI and speed law enforcement and child safety seat use.

St. Louis County is the primary grantee, the city will then be reimbursed by the county from the grant funds for its direct additional costs of providing grant-related services on an overtime basis.
