STATEMENT OF PURPOSE: This segment of 12th Avenue West is 17 feet wide. Any parking on this section of roadway could delay emergency response vehicles or prevent them from getting through. Snow plows cannot get through if any vehicle is parked there. No parking on both sides of 12th Avenue West was reviewed and recommended by the city of Duluth parking commission on September 8, 2009. All owners of property abutting 12th Avenue West have been contacted regarding this and none has voiced any objection.
