STATEMENT OF PURPOSE: This resolution will authorize \$25,200 for track removal and replacement services by North Shore Track Services (NSTS), Inc., to be paid from the clean water surcharge fund.

NSTS, will provide labor, material and equipment to remove and replace track for the proposed sewer crossing under the tracks near Fitger's Inn. The work will be performed between November 2 and November 27, 2009, for the completion of the East interceptor sanitary sewer overflow storage facility (Phase 1).

North Shore Track Services, Inc., located in Duluth, Minnesota, has performed numerous track construction, improvement and maintenance projects throughout the Upper Midwest.
