STATEMENT OF PURPOSE: This resolution authorizes a professional services agreement with Duluth Independent School District No. 709 for the implementation of the safe routes to schools program in the amount of \$55,000, payable from the permanent improvement fund. This project is possible because of a Minnesota department of transportation grant accepted by the city council in resolutions 08-0751 and 08-0752 passed December 15, 2008.

The city has proposed a federal aid project to develop a bicycle and pedestrian safety program for students throughout the Duluth Public School District No. 709. The program will address the education and encouragement, enforcement and evaluation of bicycle and pedestrian safety and related issues.

City officials are authorized to execute this agreement pursuant to Minnesota department of transportation agreements No. 93807 and No. 93808.
