STATEMENT OF PURPOSE: This resolution will authorize an amendment to contract 20954 with Salo Engineering, Inc. for the reconstruction of Glenwood Avenue from 43rd Avenue East to 60th Avenue East. The increase of \$63,446.73 is attributable to redesign of the road and changes to utility quantities. The road was changed from 44 feet to 38 feet wide per previous public and council meetings, and utility quantities have changed due to the need for improvements to the storm sewer and water utility.
