STATEMENT OF PURPOSE: The water plant operator apprentice job description was revised to more accurately reflect the current tasks and requirements for the job. The format of the job description was changed to make it ADA compliant. The title was changed to reflect the required license as well as to avoid confusion because this classification is not a part of a JATC apprenticeship program. There is no change in the rate of pay, which is Range 26, \$3,166 to \$3,718 per month.
