STATEMENT OF PURPOSE: The Great Lakes Aquarium is in need of State mandated upgrades and repairs to its escalator in order to be in compliance with current State code. The aquarium requires two phases of repairs, the phase one portion is an immediate need and is expected to cost approximately \$12,700. This resolution authorizes the proper city officials to allocate \$12,700 from the reserve for capital improvements fund balance in the tourism tax fund to aid the aquarium with the needed repairs.
